

Logging in to the New HIFIS

Getting through the very first step- logging into HIFIS! With the new HIFIS, you no longer need to choose a service provider, and changing your password is 2 clicks away!

1.) On your device, go to www.nbintake.ca

Simply enter your User Name and Password and click the login button!

You no longer need to choose a provider, your default will automatically be chosen upon login.

User Name / Nom d'utilisateur: Admin

Password / Mot de passe: [masked]

Log In / Connexion

[Forgot Password? / Mot de passe oublié?](#)

2.) Forgot your password?

Changing your password is as simple as 2 button clicks away.

Click the Forgot Password Link on the bottom left.

User Name / Nom d'utilisateur: [input]

Password / Mot de passe: [input]

Log In / Connexion

[Forgot Password? / Mot de passe oublié?](#)

3.) Enter your user name for a reset password link to be sent to your email!

Follow the instructions in the reset email.

If you can't find the email, Check your Junk Folder!

Password Recovery / Récupération de mot de passe

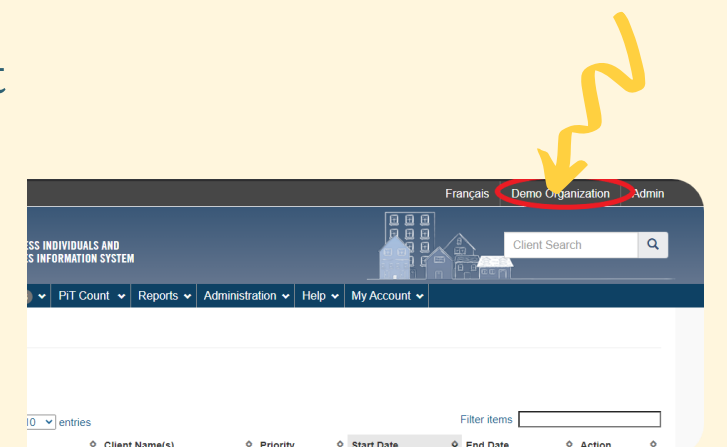

User Name or Email / Nom d'utilisateur ou Adresse Courriel: Admin

Reset Password / Réinitialiser le mot de

4.) At a different provider? Click the provider name in the top right to get started.

Look for your provider name next to your User Name on the Top Right.

Click the service provider name.

4.) Enter your Login Information

Then click the Service Provider tab

Select your service Provider and click the Login Button to log back in as the selected provider.
