PEOPLE

700+ **NEWCOMER** and **INTERNATIONAL STUDENTS** were members of Civic Tech Saint John in 2023.

20+ **MEMBERS SECURED JOBS** through the project.

145+ people **VOLUNTEERED** in a CTSJ project.

COMMUNITY

30+ **STAKEHOLDERS** collaborated at CTSJ events including representatives from the private sector, public sector, non-profits, settlement agencies, universities and colleges. CTSJ creates connections and meaningful opportunities for people working in tech, studying or enrolled in a tech program or looking for a job in tech, and key players in the community.

ORGANIZATIONS REPRESENTED:

- Irving Oil Limited
- Petro Service Limited
- OSCO
- Saint John Energy
- Mariner
- NBCC
- Xerox
- University of New Brunswick
- and Others

OPPORTUNITY

4 EXPERIENTIAL LEARNING OPPORTUNITIES through internships. CTSJ itself had four interns during 2023.

11 ENTREPRENEURIAL INITIATIVES. 11 students from the IDEA Center in Saint John developed entrepreneurial initiatives and presented them at CTSJ's Pitch Nights.

DIGITAL EQUITY

25 COMPUTERS were **REFURBISHED** in collaboration with community partners. The computers are distributed to the community where there is a need.

5 FIX IT NIGHTS where more than 30 volunteers with tech skills collaborated to refurbish computers that were deployed in the community.
